## **Safeguarding Policy**

### **1. Policy Purpose**

This policy defines how Membury Parish Hall operates to safeguard children, young people and adults at risk of abuse or neglect.

We all have a duty of care and are committed to the protection and safety of everyone who enters our premises including children, young people and adults at risk as visitors and/or as participants in all activities and events. We also have a duty to safeguard and support our trustees, volunteers and hirers.

### **Definitions**

Children and young people are defined as those persons aged under 18 years old.

Safeguarding and promoting the welfare of children is defined as:

- protecting children from maltreatment
- preventing impairment of children's health and development
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care
- taking action to enable all children to have the best outcomes.

Adult at risk of abuse or neglect for the purposes of this policy, 'adult at risk' refers to someone over 18 years old who, according to Section 42 of the Care Act 2014:

- has care and support needs
- is experiencing, or is at risk of, abuse or neglect
- because of their care and support needs is unable to protect himself or herself against the abuse or neglect or the risk of it.

If someone has care and support needs but is not currently receiving care or support from a health or care service, they may still be an adult at risk.

Safeguarding is everybody's responsibility. This includes:

- All trustees, volunteers, and hirers
- All those attending any activity or service that is being delivered from the Membury Parish Hall.
- All visitors and contractors.

### **2. Policy principles**

There can be no excuses for not taking all reasonable action to protect children and adults at risk from abuse or neglect. All citizens of the United Kingdom have their rights enshrined within the Human Rights Act 1998. People who are eligible to receive health and community

care services may be additionally vulnerable to the violation of these rights by reason of disability, impairment, age, or illness.

Membury Parish Hall Trustee Committee has a zero-tolerance approach to abuse.

Membury Parish Hall Trustee Committee recognises that under the Care Act 2014, it has a duty of the care for the protection of adults who are at risk of abuse. It also recognises its responsibilities for the safety and care of children under the Children Act 1989 and 2004

Membury Parish Hall Trustee Committee is committed to promoting wellbeing, harm prevention and to responding effectively if concerns are raised.

Membury Parish Hall Trustee Committee is aware of the work of their local safeguarding Board/Partnership and other support organisations on the development and implementation of procedures for the protection of children and adults at risk. The policy is about stopping abuse where it is happening and preventing abuse where there is a risk that it may occur.

Membury Parish Hall Trustee Committee is committed to the following principles:

- The welfare of the child, young person or adult at risk is paramount.
- All children, young people and adults at risk have the right to protection from abuse.
- Safeguarding is everyone's responsibility: for services to be effective each individual, professional and organisation should play their full part; and
- All suspicions and allegations of abuse must be properly reported to the relevant internal and external authorities and dealt with swiftly and appropriately.
